

Challenge 1: Budget Birthday Gift

Instructions:

Leo is in between jobs and in a tough financial month. His nephew Joshua is having his 6th birthday party in a few weeks. Leo would love to order him a present, but due to his finances he is restricted to using gift cards he already has to purchase the gift. He has a \$25 giftcard to Wardrobe Hive, and he'd like to use only these to buy Joshua's present.

Joshua is a fun 6-year-old. He loves toys and likes lots of different things. His parents do not like when others purchase gifts that could be messy.

- **Use the Instructions. Compare the products in the Wardrobe Hive, and then make a choice.**
- **Purchase the present while staying within budget.**
- **Be aware of any messages that pop up while shopping and address them as needed.**

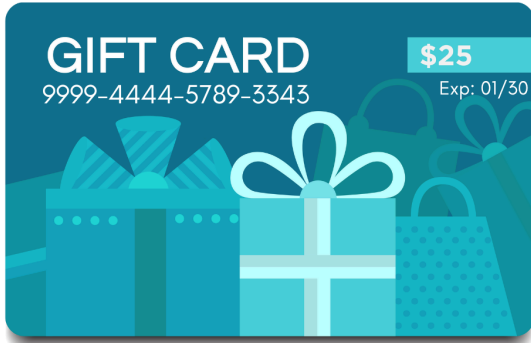

Write down your order number as a reference when it is completed:
