

## **Challenge 4: Fall Shopping Spree**

Instructions: Emma is a 30-year-old professional living in a city with distinct seasons. As the fall season approaches, she realizes that she needs to update her wardrobe with some essential pieces that will keep her warm, stylish, and comfortable during the cooler months. She loves purchasing items that can layer and mix-and-match for different outfits. She prefers clothes that she could wear to work and transition to evening plans.

Before shopping, Emma takes inventory of her current fall wardrobe. She notices she already has a few staple pieces like jeans, boots, basic tees, and light sweaters. She'd love to add a jacket, some layering long-sleeve options, and accessories like a purse or scarf. She doesn't need any socks or shoes. She doesn't want duplicates of items.

Emma has a budget of \$235 and wants to make sure she chooses items that are versatile, durable, and look nice for work or after-work outings with friends. She wears size Large and is hoping to add at least 4 items to her wardrobe. Emma uses her Credit Union card for monthly spending.
