

## **Challenge 8: Sports Uniform in a Hurry**

Instructions: Anna is a busy mom with two children, Liam and Sophie, both of whom are active in sports. Liam, who is 9 years old, recently joined a local soccer league, and his first game is just one week away. The league provided a list of required items. Anna wants to make sure she gets everything Liam needs in one purchase without having to return or exchange items, as time is tight before the first game. Anna uses her Credit Union card for kid activity spending. She plans to order the minimum required for now, to keep costs low.

Liam typically wears size 12 clothing and size 3 shoes. He has been assigned #15 for the team. The uniform cycle is 2 years, so sizing up may be appropriate. Liam already has shin guards, cleats, and a soccer ball.

- **Use the League Requirements, Size Chart, and Credit Cards to purchase the correct items from Wardrobe Hive so that Liam has everything he needs by his first game.**
- **Be aware of any messages that pop up while shopping and address them as needed.**

**Write down your order number as a reference when it is completed:**
